

تخصصات درجة الماجستير

GRADUATE SCHOOL OF ATATÜRK'S PRINCIPLES AND REVOLUTION HISTORY

Atatürk's Principles and Revolution History Master's Program (Turkish)

GRADUATE SCHOOL OF EUROPEAN STUDIES

European Studies Master's Program

GRADUATE SCHOOL OF EDUCATIONAL SCIENCES

Education Technologies Master's Program

Educational Administration and Supervision Master's Program

Educational Programs and Teaching Master's Program

English Language Teaching Master's Program

Guidance and Psychological Counselling Master's Program

GRADUATE SCHOOL OF NATURAL AND APPLIED SCIENCES

Architecture Master's Program

Biomedical Engineering Master's Program

Biotechnology Master's Program

Chemical Engineering Master's Program

Civil Engineering Master's Program

Computer Engineering Master's Program

Data Science Master's Program

Design and Innovation for Sustainable Food Systems Master's Program

Electrical and Electronic Engineering Master's Program

Industry and System Engineering Master's Program

Material and Nanotechnology Engineering Master's Program

Mathematics Master's Program

Mechanical Engineering Master's Program

Physics Master's Program

Sustainable Energy Master's Program

Sustainable Interior Studies Master's Program

Urban Design and Landscape Architecture Master's Program

GRADUATE SCHOOL OF HEALTH SCIENCES

Clinical Pharmacy Master's Program

Cosmetology Master's Program

Drugs and Cosmetic Production Technologies Master's Program

Endodontics Master's Program

Health Physics Master's Program

Healthcare Management in Emergencies Master's Program

Healthcare Management Master's Program

Histology and Embryology Master's Program

Maxillofacial Radiology Master's Program

Maxillofacial Surgery Master's Program

Medical Microbiology Master's Program

Molecular Medicine Master's Program

Muscular Science Master's Program

Nursing Master's Program

Nutrition and Dietetics Master's Program

Occupational Health and Safety Master's Program

Oral Implantology Master's Program

Orthodontics Master's Program

Pedodontics Master's Program

Periodontology Master's Program

Pharmaceutic Chemistry Master's Program

Pharmaceutic Toxicology Master's Program

Pharmacoeconomy and Pharmacoepidemiology Master's Program

Physiology Master's Program

Physiotherapy and Rehabilitation Master's Program

Phytotherapy Master's Program
Prosthetic Dentistry Master's Program
Public Health Master's Program
Restorative Dentistry Master's Program
Sport Physiotherapy Master's Program

GRADUATE SCHOOL OF SOCIAL SCIENCES

Accounting and Auditing Master's Program
Accounting and Finance Master's Program
Agricultural Trade and Agribusiness Master's Program
Animation Design Master's Program
Anthropology Master's Program
Arts and Culture Management Master's Program
Biological Anthropology Master's Program
Business Administration for Executives Master's Program
Business Administration Master's Program
Gastronomy and Culinary Culture Master's Program
Clinical Psychology Master's Program
Cognitive Sciences Master's Program
Comparative Literature Master's Program
Economics Master's Program
English Language and Literature Master's Program
Financial Economy Master's Program
General Journalism Master's Program
Graphic Design Master's Program
History Master's Program
Human Resources Management Master's Program
Interaction Design Master's Program
International Business Management (German) Master's Program

International Trade and Logistics Management Master's Program
Local Administrations and Governance Master's Program
Management Information Systems Master's Program
Media and Communication Management Master's Program
Philosophy Master's Program
Plastic Arts and Painting Master's Program
Political Science and International Relations (French) Master's Program
Political Science and International Relations Master's Program
Public Law Master's Program
Private Law Master's Program
Public Relations and Publicity Master's Program
Radio, Cinema and Television Master's Program
Sociology Master's Program
Theatre Master's Program
Visual Communication Design Master's Program
